

Directions to Hilo Drag Strip and Go-Cart Track

In Hilo, proceed on the Hawaii Belt Road Towards the Hilo Int'l Airport. Turn East (same direction as the airport) on Leilani St. which is one block South of the Airport Road. Proceed on Leilani St. as if you are driving toward the Hilo Landfill and Transfer Station. Stay on the road, past the transfer station and past the green waste disposal area until the road comes to the Drag Strip. Don't worry, the road is long and the drag strip is at the very end. Continue driving past the drag strip and you will see the Go-Cart Track, the location of our SCCA Solo II event.
